

The Co-operative Nursery School of Almonte

Enrolment Policy

2-Day Core Program

This program is for preschool-aged children 30 months (2 ½ years) to 5 years old (at the time of admission to the nursery school). Registration requirement is for a minimum of 2 days. Spots are granted on a first-come, first-serve basis, provided a completed registration package has been submitted. Current families of the program will be offered the option of early registration prior to opening up registration to the general public for upcoming school years.

Kindergarten Readiness Program (extended Friday option)

This program is for children who will be 3 years of age by December 31st, of the registration year. Enrolment in a core program is mandatory for acceptance into the Friday program. If there is only space available in the Friday program, the school may accept the registration and place the student on a wait list for a core program. If a spot becomes available in a core program it is mandatory that the student be enrolled in the core program regardless of the days offered. A minimum number of 10 students must be registered for the program to run with a maximum of 16.

ALL PROGRAMS ARE SUBJECT TO CANCELLATION IF ENROLMENT IS INSUFFICIENT.

Toddler Aged Students (24 - 30 months)

At the discretion of the Director and Head Teacher, children between the ages of 24 and 30 months may be enrolled up to a maximum of 20% of the employee/child ratio, as set out in Ministry guidelines.

If you wish to register a Toddler Aged child to the preschool program registration forms will be available however, admission to the program will only be granted if space is available after August 1st of the school year at which time parents/caregivers would be notified.

If more than 20% of the employee/child ratio of registrants to the preschool program is Toddler Aged prior to August 1st of the school year, or if program registration is at its maximum number of Toddler Aged students at any point during the school year, you may place your child on a waitlist for a core-program. Children will be offered admission in order of birthday to maximize use of space in the program.
