Waitlist for 2022/2023

Filling this form will place your child on the waitlist. Once your student gets close to the top of the waitlist (ex. in spot 3), the registrar may send the registration forms to be filled out and sent back. We will require immunization records and any other paperwork before enrollment. Please send this form to the registrar at acnsregistrar@gmail.com. If you have any questions, please contact the registrar.

Waitlist Policy for the 2022/2023 School Year

Both Waitlist A and B are only for the dated school year (2022/2023) and will not be carried over to the next year. A new waitlist will be started for the next school year when registration opens, and a new form will be required to be added to the next waitlist.

Once the registration list is completed/full, Waitlist A will begin for all students 30 months of age and older. Waitlist B will begin when the registration list is at capacity for students between the ages of 24 and 30 months old or if the student is under the age of 24 months. Students must turn 2 by May 31st, 2023 to be placed on Waitlist B, as they are not eligible to attend until the age of 2.

Registration List:

The Registration List only has room for four students who are between the ages of 24 and 30 months old by September 15, 2022. All students who are underage are limited to 2 days a week until they turn 30 months old. Once the student turns 30 months, they may attend more days or switch days if wanted and if there are spots available by contacting the registrar. We are only accepting 2 underage students per day. Once those four spots are full, the next students who register and are under the age of 30 months by September 15th, 2022, will be placed on Waitlist B even if there is still room on the Registration List.

List A:

Once the registration is full, Waitlist A will be started. Students on this list must be 30 months old when they are placed on the list (or by September 15th, 2022). They will be placed on the list in order of date that the waitlist application or registration form is received by the registrar.

List B:

Any students who are under the age of 30 months as of September 15th, 2022, will be added to Waitlist B. This list will be organized by age, with the oldest at the top. Once the child turns 30 months, the child would move to List A within the order the application was received by the registrar. When the child turns 30 months old, the registrar will inform the family that the child has switched lists and where they are on Waitlist A.

To be placed on either Waitlist, the waitlist form must be filled out and sent to the registrar acnsregistrar@gmail.com. Once the student is in spot 3 or higher, the registrar may be in contact with the family to get the proper paperwork for when and if a spot becomes available. This would include the registration forms, immunization records, etc.

At any time, a family may contact our registrar for an update on where a student is on the waitlist. The registrar will only provide the spot number. The registrar will not disclose personal information such as the names or birthdates of other students on the list.

A spot opens:

For students on any waitlist, the Nursery School will try give families 1 to 2 weeks notice that a spot is opening for a student on the waitlist. Families will have 5 days to confirm they still would like the spot. The registrar will attempt to contact the family twice by email and once by phone. If there is no response within the 5-day period, the registrar will move on to the next family on the list and their spot will remain. If a student does not accept a spot offered, the student may choose to remain on the waitlist or be removed and the next student would be contacted. All required paperwork and fees must be given to (or organized with) the registrar within one week of confirming the spot and BEFORE the student is allowed to start.
